```
'java.lang.IllegalArgumentException: Illegal parameter value for unknown parameter text' for
`ClearText' set in TextInputLayout I want to clear the EditText automatically when the user taps
outside the EditText. I have used: TextInputLayout textInputLayout = (TextInputLayout)
findViewById(R.id.name_input_layout); textInputLayout.setOnClickListener(new
View.OnClickListener() { @Override public void onClick(View v) { StringBuilder builder = new
StringBuilder(); builder.append("empty text").append(System.getProperty("line.separator"));
EditText editText = (EditText) findViewById(R.id.name_input); if (editText!= null) {
editText.setText(builder.toString()); if (editText.length() > 0) {
editText.setSelection(editText.length()); } } //debug.mark(); //edittext.requestFocus(); //TextView tv
= (TextView) v; //tv.clearFocus(); //tv.setSelection(tv.length()); //tv.setCursorVisible(true);
//tv.requestFocus(); //tv.requestFocus(); //tv
